

**REMARKS**

Claims 6-8 remain in the case. Claims 1-5 were previously canceled and claims 9-11 are canceled with this amendment. Claims 6-8 are amended.

Claims 6-11 were rejected under §101 as directed to non-statutory subject matter. Applicants do not agree that the prior claims were so directed but to expedite prosecution and allowance of the claims have amended the claims to specifically address this issue. The amended claims are believed to be expressed in a form to address this rejection without adding new matter or raising new issues for consideration. Consequently, applicants believes the pending application is in condition for allowance.

The fees for a two-month extension accompany this response. Please charge any other fees due, or credit any fees to our Deposit Account No. 08-0219, under Order No. 0286685.00126 US1 from which the undersigned is authorized to draw.

Respectfully submitted,

Dated: May 21, 2008
